

MANTRA NAGA STUDIO END USER LICENSE AGREEMENT

All products from Findthics.id are typography used in both personal and commercial projects.

Right:

You are permitted to use this resource for a number of personal and commercial projects. You may modify these resources according to your needs, and incorporate them into works, such as websites, applications, or other materials intended for sale. No attribution or link back to me is required, but any credit is always greatly appreciated.

Forbid:

You have no right to redistribute, resell, rent, license, sublicense or offer files downloaded from Mantra Naga Studio to any third party or as separate attachments to your work. If you wish to promote my resources on your site, you can do so by linking back to the Findthics.id website where users can find and download files.

Thank you for your cooperation, and enjoy your new typeface!
